MCG Pediatric Podcast - Online Technology Use Recommendations for Children

Release Date: Monday, November 15, 2021

End Date: Wednesday, November 15, 2023

Target Audience:

Specialties - Pediatrics

Credits: AMA PRA Category 1 Credits™ (0.50 hours), Non-Physician Credit For Attending An AMA PRA Category 1 Event (0.50 hours)

The MCG Pediatric Podcast was launched on March 1, 2020 due to the recognition that learners in all stages of their medical education, as well as current clinical providers, need more practical and easy-to-access options to supplement their medical knowledge. Each podcast episode is an evidence-based discussion regarding pediatric general and subspecialty topics. These discussions are led by our pediatric housestaff members, general and/or subspecialty faculty members. All content goes through...
