

Check Sheet for Department of Defense Cyber Scholarship Program Applicants

Application Deadline: Submit no later than 11:59 pm on Wednesday, February 1st

- 1.) Carefully review the scholarship requirements to confirm you want to proceed with scholarship application. At a minimum, please review links below. Please email Markus Bacha (mbacha@augusta.edu) with any questions or concerns.
 - Scholarship Page, which provides general overview of scholarship: <https://www.augusta.edu/ccs/dod-cyber-scholarship.php>
 - Key Scholarship Components Presentation: <https://www.augusta.edu/ccs/dod-cysp-key-components-student-info-2023.pdf>
 - OF612, which outlines recipient obligations that you must agree to: <https://www.dodemergingtech.com/wp-content/uploads/sites/9/2021/10/DOD-CYSP-OF612.pdf>
 - Completing Digital Clearance Readiness Assessment is highly recommended: <https://www.indigobyavue.com/dod-emerging-tech/public/backgroundReadiness>
- 2.) Determine who will serve as your two references and email as soon as possible (recommend no later than January 18th if possible) to solicit reference. One reference must be a professor whose class you completed in Fall 2022. Keep in mind that references will need to specifically address all six KSA's and meet reference specifications outlined.
- 3.) Request copy of official Augusta University transcript either through POUNCE or through [TranscriptsPlus](#) and so you can upload to application.
- 4.) Work on and complete Competency Statement & Resume no later than **January 25th** and submit to Career Services for review. Career Services will return feedback no later than close of business on **January 30th**. Earlier submission is highly encouraged.
- 5.) Complete scholarship application electronically and submit no later than 11:59 pm on Wednesday, February 1st.
