

Dept. of Medical Illustration
Medical Illustration Graduate Program

**70th Anniversary Celebration &
O.A. Parkes Symposium**
Call for Papers

October 22-24, 2021
Augusta, GA

If you would like to give a presentation during the O.A. Parkes Symposium, please complete this brief form and return to medart@augusta.edu by the 5:00 p.m. (eastern) on Monday, August 16th. We're looking for presentations on media techniques, software demonstrations, reviews & updates on biomedical science topics, art & artist retrospectives, non-traditional careers in medical illustration, project management, business, the realities of private practice, history of medical illustration, and life after medical art.
