Institutions (List all schools attended since high school)

Institution Name	City, State	Enrollment Dates		Degree
		from	to	
		from	to	
		from	to	
		from	to	
		from	to	

Prerequisite Courses (List highest level course taken)

	Course #, Title	Institution Name	Credit Hrs.	Grade	Date
Comp. Vertebrate Anat.					
Human Physiology					
Figure/Life Drawing					
Computer Graphics					

Other Courses (List other relevant courses taken, for example, embryology or photography)

Course #, Title	Institution Name	Credit Hrs.	Grade	Date

* Please calculate your cumulative GPA for all biology/zoology courses. Use a 4.0 scale (A = 4.0, A- = 3.7, B+ = 3.3, B = 3.0, etc.) to convert a letter grade to its numeric equivalent. For each course, multiply the numeric grade by the number of credit hours for the course. Add together the results for all biology/zoology courses. Divide this sum by the total number of bio/zoo credit hours. The result is your bio/zoo GPA.

Applicant Digital Portfolio of Artwork

Instructions Applicants must submit a Digital Portfolio of at least 12 original pieces of creative work. Artwork must be drawn/sculpted from direct observation (not from photographic reference).

The portfolio must include:

- Three life drawings (at least two longposes)
- Two drawings of hands—life-size, tonal studies
- Three realistic still life studies in full color
- Two additional examples of realistic drawing or painting
- One vector computer graphic image (Adobe Illustrator, Corel Draw, etc.)
- One raster computer graphic image (Adobe Photoshop, Corel Painter, etc.)

We accept only digital portfolios submitted through Box.com (please see instructions on page 5 of this form).

Neatness and quality of portfolio presentation are considered. For more information about portfolios and the application process, visit: <http://www.augusta.edu/medart>. Sample portfolio images can be viewed on our website as well.

Questionnaire—

1. When and how did you become interested in medical illustration as a career?

2. Have you met or shadowed any professional medical illustrators? No Yes
If "Yes", please tell us who: _____

3. Briefly describe your experience in leadership roles:

4. When and how did you learn of our program here at Augusta University?

5. What attracted you most to our program?

6. Briefly describe what you most expect to get out of our program.

7. When it comes to learning a new skill or piece of software, how do you learn best?

8. Do you play a musical instrument? If so, what instrument(s)?

9. Have you participated in any team sports? If so, what sport(s)?

10. What questions do you have for us?

Applicant Digital Portfolio of Artwork

Digital Submission Requirements

The following specifications apply to submission of the Applicant Digital Portfolio of Artwork in partial fulfillment of the admission requirements for the Medical Illustration Graduate Program at Augusta University:

- Individual images should be no larger than 10" wide by 7.5" high (2880 pixels x 2160 pixels).
- We prefer a resolution of 300 pixels (dots) per inch. The minimum acceptable resolution is 150 pixels per inch.
- The following image file formats are acceptable: JPEG, TIFF, PDF, and PNG. Please send only **flattened** (non-layered) files.
- Submission of a presentation file is permissible; however, please do not include any custom slide animation or slide transition effects. The following formats can be accepted: PowerPoint (PC or Mac) and Keynote.
- Submission of short animations is permissible, and can be entered in the Optional Additional Works section. Please send only flattened (non-layered), **rendered** files. Frame size should not be larger than 1280-pixels wide x 720-pixels tall. The following formats can be accepted:

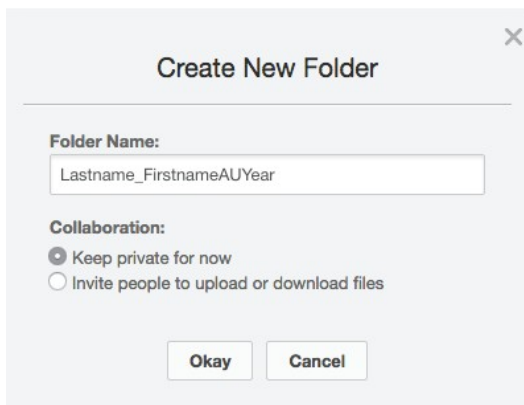

- SWF (Flash)
- QuickTime (MOV)
- MPEG
- MP4
- GIF

- Please also include a completed copy (PDF format) of this Applicant Digital Portfolio of Artwork form.
- Please only submit a single, complete portfolio of artwork—DO NOT SUBMIT your portfolio in sections!
- Submit using the digital portfolio submission guidelines.

Digital Portfolio and Questionnaire Online Submission Guidelines

We accept digital submissions of portfolios and questionnaire through **Box.com**.

- Please sign up for a free account at <https://www.box.com/home>.
- Create a folder with your name the year. YearAUApp_Lastname_Firstname
 - Ex: 2017AUApp_Doe_John

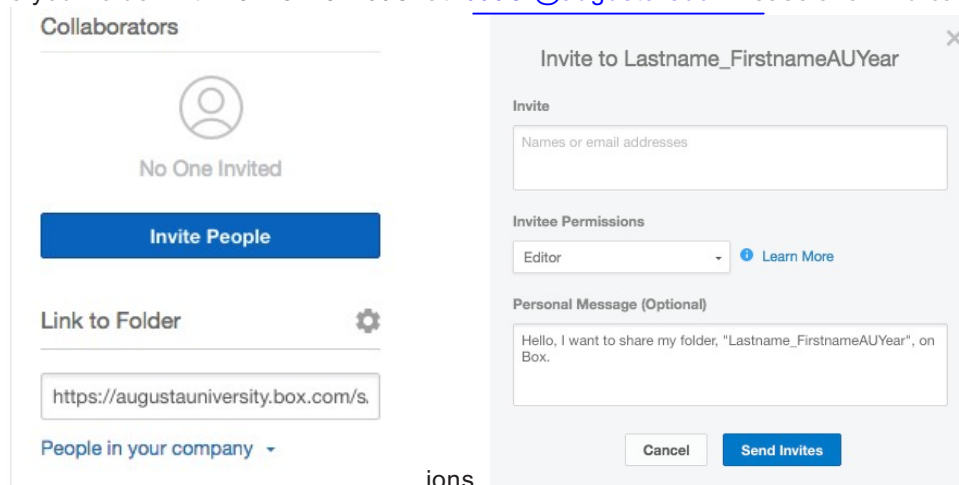

Create New Folder

Folder Name:
Lastname_FirstnameAUYear
