

Department of Occupational Therapy

Policy 8.0. *New Student Orientation*

POLICY PURPOSE

To describe procedures for orientation of new occupational therapy students to the University, College, and Department expectations and resources.

POLICY STATEMENT

All occupational therapy students are expected to attend the Department of Occupational Therapy's New Student Orientation.

PROCESS + PROCEDURES

1. Occupational therapy students are expected to attend the Department of Occupational Therapy's New Student Orientation. Student Orientation activities address professional behavior expectations; academic resources and expectations; technology access and instruction; responsibilities related to client centered care, classroom performance and attendance requirements; clinical and university, registration, and student identification requirements.
2. OT students are given electronic copies of the student handbook prior to new student orientation. Students must sign that they have received a copy of the handbook.
3. All OT students are expected to attend the Augusta University's and College of Allied Health Sciences' New Student Orientations. The date, time, and location will be determined by the Institution/College.
