SUPPORTING SMILES. CHANGING LIVES.

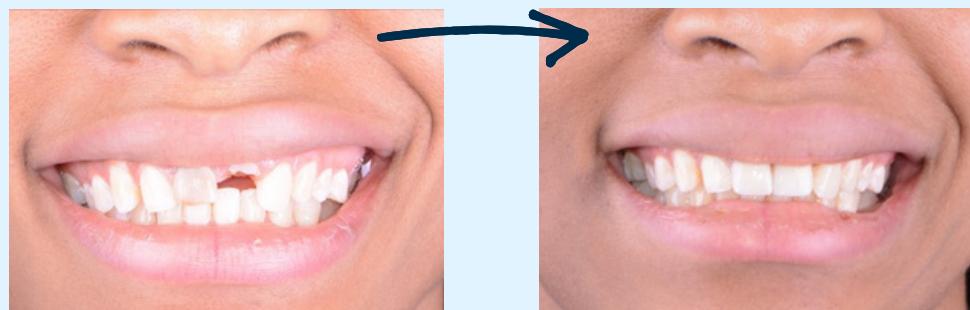

ABOUT GIVE A SMILE

A student-led nonprofit restoring confidence, one smile at a time.

Our Mission

Give a Smile is a nonprofit organization run by dental students at The Dental College of Georgia. Our mission is to ensure that no one is denied essential dental care because of financial hardship. We want to ensure that every patient receives the treatment they deserve.

Empowering Smiles, Transforming Lives: Established by a group of passionate students in 2004, the Give a Smile program has become a beacon of hope for patients who find themselves in difficult and often unexpected financial circumstances. We firmly believe that everyone deserves a healthy smile and the confidence that comes with it. Our program aims to uplift and empower individuals by providing them with the opportunity to regain their oral health and overall quality of life.

Why We Do It

We've seen firsthand how lack of access to dental care impacts a person's self-esteem, ability to eat comfortably, speak clearly, and even gain employment. Many of our patients come from vulnerable or unexpected circumstances—people who've lost insurance, survived hardship, or are simply trying to make ends meet. The opportunity to help them isn't just a privilege—it's a responsibility we take seriously.

How It Works

Give a Smile empowers dental students to advocate for patients who otherwise wouldn't be able to afford care. Through a detailed application process, students submit cases on behalf of patients struggling with financial barriers. Applications are reviewed by a committee of students and faculty who carefully evaluate each story with empathy, integrity, and a patient-first mindset.

A Student-Driven Movement

Give a Smile is more than a fund—it's a reflection of the values we hope to carry with us as future dentists: compassion, service, and advocacy. Being part of this program teaches us how to treat the whole patient, not just the tooth.

Why Your Support Matters

When you support Give a Smile, you're not just donating to a cause—you're becoming part of someone's comeback story. You're helping a single mom smile again, a job-seeker walk into an interview with confidence, or a veteran eat without pain for the first time in years.

With smiles and gratitude,

The Give a Smile program Team at The Dental College of Georgia

MEET THE STUDENT LEADERS

BEHIND GIVE A SMILE

Our team is made up of passionate dental students committed to community care, equity in healthcare, and making dentistry more accessible—one smile at a time.

About Color Run 5K Dental Dash

Lace up for a cause that goes beyond the finish line. The Color Run 5K Dental Dash is more than a run—it's a movement for accessible dental care in our community.

Join us for a heartwarming and impactful event that will not only energize your body but also brighten countless smiles! This is an extraordinary opportunity to make a difference in the lives of those seeking vital dental care.

With your enthusiastic participation, all the proceeds garnered from registrations, donations, and sponsorships will contribute directly to the *Give a Smile* program at the Dental College of Georgia. This program touches the lives of deserving patients at the dental school who are in dire need of essential dental treatments. The *Give a Smile* program is a beacon of hope for these individuals, providing them with the chance to apply for financial assistance that can transform their oral health and overall well-being.

Participating in our 5k Run/Walk isn't just about making a difference in the lives of those in need; it's also a chance for you to win exciting prizes as a token of our appreciation for your support and dedication!
