School code **QA4x**.

The screenshot shows the 'STUDENT STORE' page with a navigation bar at the top. The navigation bar includes the Turning Technologies logo, a 'Get a Turning Account' link with a circular arrow icon, a 'Sign In' link with a person icon, and a shopping cart icon showing 'Items: 0' and 'Total: \$0'. Below the navigation bar is a grey header with the text 'Step 1 - Enter Code'. The main content area features a large 'STUDENT STORE' title. On the left, there are two main panels. The top panel is blue and titled 'Get a Turning Account'. It contains text explaining that students need an account for TurningPoint Cloud sessions and that a license must be purchased. It also features the TurningPoint cloud logo and a 'Start Here' button with a right-pointing arrow. A red arrow labeled '(1)' points to this panel, with the text 'See page 2' below it. The bottom panel is green and titled 'Enter School Code'. It asks if the user knows their school code and provides a list of products. A text input field contains 'QA4x' and has a right-pointing arrow button. A red arrow labeled '(2)' points to this panel, with the text 'See page 3' below it. On the right side of the page, there are three smaller promotional boxes. The top one is titled 'Log In to Turning Account' and has a 'Sign In' button. The middle one is titled 'Proceed to Store' and has a button that says 'See products available to purchase online'. The bottom one is titled 'Already have a Turning Account?' and has a 'Sign In' button. The background of the page shows a blurred image of students.

The image shows a screenshot of the Turning Account website. At the top left, there is a logo with an upward arrow and the text "Turning Account". Below this is the main slogan "Engage. Monitor. Measure." in large, colorful letters. To the left of the slogan is a graphic showing a computer monitor, a laptop, a tablet, and a smartphone, all displaying data dashboards. The monitor screen has a title "How will you use Response Technology?" and a list of five items: 1. Increase Engagement, 2. Assess Understanding, 3. Improve Retention, 4. Data Collection, and 5. Attendance Tracking and Reporting. A bar chart with five bars of increasing height is also visible. On the right side of the page, there are two main sections: "Sign In" and "Sign Up". The "Sign In" section has input fields for "Email" and "Password", a "Forgot your password?" link, and a "Sign In" button. The "Sign Up" section has a sub-header "All Products. One Account.", input fields for "Trent" and "Anthony", an email field containing "Tanthony@gru.edu", a role selection dropdown with "Participant" and "Instructor" options, and a "Create Account" button. A red arrow points from the top of the page down to the "Sign In" section.
