

## What are the ACGME Requirements for DEI-H?

Per ACGME Common Program Requirements for residencies,

*The [GME] program must integrate the following ACGME Competencies into the curriculum - Professionalism - Residents must demonstrate competence in respect and responsiveness to diverse patient populations, including but not limited to diversity in gender, age, culture, race, religion, disabilities, national origin, socioeconomic status, and sexual orientation. The program, in partnership with its Sponsoring Institution [i.e., MCG], must engage in practices that focus on mission-driven, ongoing, systematic recruitment and retention of a diverse and inclusive workforce of residents, fellows, faculty members, senior administrative staff members, and other relevant members of its academic community.*
