- Conflict Resolution.

ACGME-accredited Programs are required to evaluate their House Staff at least twice per year in
the ACGME Core Competencies including Professionalism via Milestone assessment.
Milestones can be found here: https://www.acgme.org/what-we-
do/accreditation/milestones/milestones-by-specialty/
Remediation may be needed for those House Staff not meeting Milestone expectations.
Resources are available including for those needing remediation in professionalism. Please
contact the GME Office for assistance.
