

Tort Liability Insurance

All students must have documentation of tort liability Insurance before starting field experience.

Liability (tort) insurance is provided when you join one of the student education associations. This is legal insurance -- not medical insurance. Below, please find information about the organizations which provide liability insurance. When you join one of the organizations, you will be sent a confirmation e-mail or a membership card. This is submitted as proof of insurance

SPAGE (Student Professional Association of Georgia Educators)

www.pageinc.org

NEA (National Education Association)

www.nea.org/home/1600.htm

**If you currently have liability insurance as part of your employment in a school district, you may provide a pay stub indicating that insurance is being taken out of your salary.*
