Step 4: After clicking Award Offer, you will be able to view your Cost of Attendance (COA).

The screenshot shows a web interface for "Financial Aid". At the top right, there is a dropdown menu for "Award Year" set to "Academic Year 2023-2024", along with icons for email and print. Below this is a navigation bar with links: "Home", "Award Offer" (underlined), "Financial Aid History", "Resources", "Notifications", "Satisfactory Academic Progress", and "College Finance >". A blue horizontal line separates the navigation from the main content. Below the line, there is a light blue box containing an information icon (i) on the left and an upward arrow (^) on the right. In the center of this box, the text "COST OF ATTENDANCE" is displayed in blue, bold, uppercase letters and is circled with a green oval. Below this heading is a paragraph of text explaining the COA. At the bottom right of the light blue box, there is a link that says "View your Award Payment Schedule".

The Cost of Attendance is NOT your bill. The cost of attendance (COA) is the cornerstone of establishing a student's financial need, as it sets a limit on the total aid that a student may receive for purposes of the Campus-Based, TEACH Grant, and Direct Loan programs, and is one of the basic components of the Pell Grant calculation.
