EII's 2016 Health Sciences Education Grand Rounds Series

The EII is pleased to announce the sessions for the 2016 Health Sciences Education Grand Rounds Series. This is a monthly series that moves across departments and colleges to inform faculty of current methods, findings, and trends in health sciences education and education-related research. All faculty, staff, and students are welcome to attend these events.

You can view details of the 2015 sessions and earlier [here](#). You can download a PDF of the 2016 Health Sciences Education Grand Rounds Series [here](#)
