NetID Password Support

GRU Help Desk: 706-721-4000

<http://support.gru.edu/>

If the help-desk assists with a NetID password reset you still need to go to password.gru.edu to reset your password as they only issue you a temporary password good for a limited number of logins to any resource that uses your NetID.

NetID Password Self-Reset

password.gru.edu

You must know your NetID user name and the answers to your challenge questions to perform a self reset of a **lost/unknown** password.
