

AUGUSTA UNIVERSITY
**MEDICAL COLLEGE
OF GEORGIA**

Department of Neurosurgery

**Funding Educational Activities
for Neurosurgical Residents and
Medical Students**

Hello MCG Alumni!

Augusta University's teaching hospital targets the diverse needs of the state and nation, from frontline wellness care to complex care for the sickest adults and children. The residents and medical students of the Neurosurgical Department are asking for your help in funding their educational activities to help continue this legacy.

Donate through our AU Health IGIVE:

- Go to <https://www.augustahealth.org/igive/>
- Scroll to find "Ways to Give"
- Select either "one time credit card" or "payroll deduction"
- For "one time credit card": select *Other* and type in the fund amount designated to select *Other* and enter - **The General Neurosurgery Fund (211530) or The Neurosurgery Resident Education Fund (211550)**
