This year’s conference will remain in Augusta. The meeting on Friday June 7th will be held at St. Paul’s Church in downtown Augusta, Georgia in the River Room. The meeting on Saturday June 8th will be held at Georgia Regents University in the Children’s Medical Center room C 1808.

Purpose statement::

This meeting for ophthalmologist will cover areas of research and clinical innovation in our field. Ophthalmology residents will present research followed by our guest speakers.

Objectives—At the conclusion of this conference, the attendee will be able to:

- ◆ Investigate and better treat pediatric ocular surface disease
- ◆ Relate an association of specific systemic diseases with a variety of pediatric cataracts
- ◆ Describe how various corneal opacities relate to underlying ocular pathology
- ◆ Refine the diagnostic and therapeutic approach to a patient with systemic disease who is seeking refractive surgery
