CNR Seminar

Pathways of High Quality and Productive Research in the Health Sciences

Friday, April 21, 2023
12:00 to 1:00 p.m.

Dr. Balas will present his research on effective research planning in the health sciences. He will review factors leading to non-reproducible and uninformative research and will offer deficiency prevention strategies. He also will discuss dimensions of research success and forward-thinking research design.

We have applied for 1.0 CE contact hour for nurses.

Augusta University Medical Center is approved as a provider of nursing continuing professional development by South Carolina Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

This will be a live virtual presentation on Zoom. Please see your Outlook calendar invitation for a link to the seminar or click on the seminar link on the CNR Seminar web page at:
