CNR Seminar

Inquiry 1000: Success and Resilience in College and Life

Friday, June 23, 2023
12:00 to 1:00 p.m.

Dr. Prince-Clark will discuss her area of engaged scholarship on developing and teaching Inquiry 1000 for four semesters to first and second year college students. She will describe how she focused the course on building resilience in college and life. Dr. Prince-Clark also will discuss what she learned about student stressors and resilience-building environments, and the next steps she will take in building this area of scholarship.

We have applied for 1.0 CE contact hour for nurses.

Augusta University Medical Center is approved as a provider of nursing continuing professional development by South Carolina Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

This will be a live virtual presentation on Zoom. Please see your Outlook calendar invitation for a link to the seminar or click on the seminar link on the CNR Seminar web page at:
