

CURRICULUM INVENTORY REPORTING

CURRICULUM INVENTORY REPORTING

PROCESS

The Office of the Registrar is responsible for collecting Curriculum Inventory Reporting data for the Health Science Campus. It records faculty effort in hours for a given semester. This information is referenced for budgeting inquiries, departmental faculty effort reports, and can also be used for many other data collection inquiries. Based on the effort entered in the CIR system, a teaching percentage is calculated for USG data reporting. It is extremely important that CIR be submitted by the deadline.

RESPONSIBILITIES

Curriculum Inventory Reporting is only for the Health Sciences courses and includes School of Public Health. CIR submission is the responsibility of the primary faculty person, but this is often delegated to a designated staff person. A staff member does not automatically have access to the system, so a request from a faculty member must be made to the Registrar's Office to add access.

INSTRUCTIONS

An email is sent to each department notifying them that Curriculum Inventory Reporting has been opened. These are sent from the Registrar's Office shortly after schedule adjustment has ended each term.

If you are no longer responsible for this data, please notify our office so we can reach out to the appropriate person.

Access the CIR website by visiting the link below:

1. Log in using your JagID and password.

The image shows a login page for Augusta University. At the top is the university's crest, a shield with a stylized 'A' and a book. Below the crest, the words 'AUGUSTA UNIVERSITY' are written in a serif font. Underneath is a 'Username:' label followed by a text input field. Below that is a 'Password:' label followed by a text input field. A green-outlined button with the word 'LOGIN' in black capital letters is centered below the password field. At the bottom, there is a link 'Forgot your password?' and another link 'Click here to activate your new user account.'.

****Please note you need access to Duo to access CIR.***

2. Any courses you are currently assigned to in Banner will be available to you. If you are a departmental staff person responsible for entering CIR, any course in your assigned department will be available to you. If you would like to search through your available courses, keep it as general as possible. Enter the CRN or School and select “Search”.

Please note: If you are missing classes, please contact the Registrar’s Office at classes@augusta.edu.

You will see a screen like this.

A screenshot of a search modal window. The window has a title bar with the word "Search" and a close button (X). Below the title bar is a search input field with a red rectangle around it. To the right of the input field is a search button with a magnifying glass icon, which has a blue rectangle around it. Below the input field, a search result is displayed: "Kindle, Kevin Edward" followed by a black redaction box.

OR you can search by name. Try different variations: First and last or just last name for example until you find who you are looking for.

Please refer to the guidelines below for entering and recording faculty efforts.

Lecture	A presentation of instructional material involving minimal periods of student discussion or active participation
Seminar	A presentation of instructional material in which students are expected to participate in the discussion of the material
Lab	The portion of a course devoted to the performance or observation of experiments, application of principles or techniques, dissection of specimens, or demonstration and practice of procedural or clinical skills in an instructional (not patient care) setting
Clinic	Includes clinic supervision, teaching rounds, delivery/operating room supervision, or teaching in any other clinical or patient care setting. Since the primary purpose of this time is patient care, an “allowance” for teaching time is one hour per half day or two hours per full day of clinical teaching.
Other	Course-related activities such as lecture/seminar contributor, grading, office hours, advising/counseling students, etc.
Prep Time	Developing course materials, evaluating student progress, coordinating participation by other faculty, etc.

- After all information is complete and verified, click “Save Changes”. Once you are ready to lock this course and submit the data to the Office of the Registrar, click “Submit to Registrar” at the bottom right of the screen.

Submit to Registrar

8. If **changes need to be made after you have locked the course and submitted to the Office of the Registrar**, you will need to email classes@augusta.edu including the CRN to reopen to make changes. Remember to re-submit after the changes have **been made**.

TIMELINE

Generally, CIR information is due three weeks after add/drop ends for a term. Thus, Spring term information is due by January 30, Summer term information is due by June 9, and Fall term information is due by September 15. These are the hard deadlines for submission to USG. You may receive an earlier deadline from the Registrar to ensure all the information is ready for official reporting.

Please note: If the date falls on a Saturday, please submit Friday. If the date falls on a Sunday, please submit Monday.

Term	Deadline
Fall	September 15
Spring	January 30
Summer	June 9
