

Augusta University, Dept. of Chemistry and Physics
Consent to Exempt Lab

Student must first obtain previous lab grade and signature from previous lab instructor, and then submit form to the instructor of the current course.

I, _____, have chosen to opt out of the laboratory portion of
(print name here)

CHEM _____ during the following semester _____. This course has a laboratory portion associated with it that my final course grade includes. In repeating this course, I realize that I have a choice to take the laboratory again as part of the course, or if I have a previous lab grade of C or better I may choose to exempt the lab and apply my previously earned lab grade to the repeated course. Because I have chosen to exempt the lab, my previous numerical lab grade of _____ earned during the following semester _____ will be used in calculating my final grade of the repeated course according to the course syllabus.

Student Signature

Student ID number

Previous Lab Instructor Name
(the previous instructor is asked to please send lab grade to current instructor by email with student name in Subject Line)

Previous Lab Instructor Signature and Date

Current Instructor Name

Current Instructor Signature and Date
